TRANSMISSIONS AND TORQUE CONVERTER ORDERS

Due to the specialized nature of these items, it is extremely important that you speak with an ATI technician regarding your combination. ATI will recommend a specific transmission/converter combination based on your vehicle application.

Please note! ATI no longer accepts transmission over-haul walk-ins, you must make an appointment with a sales representative. Additionally, you will be charged a \$225 Transmission Expedite Fee if you expect same-day repair/overhaul service.

PAYMENT OPTIONS

Orders may be placed using a major credit card (U.S. ONLY) - Visa, Master Card or Discover as well as PayPal, ACH and money orders. Wire transfers are accepted for international orders. Checks are accepted upon pre-approval. If using a credit card, include the name of the card holder, the credit card number, CVV (security code) and expiration date of the card. Specify quantity, part number, part description, price and any other necessary information. Some orders will require detailed specifications of your car. Also include your name, full street address (no P.O. Box numbers), city, state, zip code and phone numbers where we can contact you during the day and in the evening and, if possible by e-mail.

CORE ALLOWANCES

A core allowance will be refunded to customers who return their used transmissions where required. Once these transmissions have been inspected and approved, payment will be mailed to you in the appropriate amount. Cores must be returned within 30 days.

CRATING CHARGES

All ATI transmissions are shipped in crates, which can be used to ship your core back to ATI. The crating/handling charge is \$70.00 and it is nonrefundable.

C.O.D.

UPS currently charges an additional \$13.50 per package charge on all C.O.D. orders. For open account status or company check, request an ATI credit application. For checks and COD terms, you must be preapproved. WD's and Jobbers please contact the ATI office.

SHIPPING

ATI ships via USPS, UPS, FedEx and major trucking lines. **UPS and FEDEX WILL NOT DELIVER TO P.O. BOXES** and may charge an extra fee for residential deliveries.
