Due to the specialized nature of these items, it is extremely important that you speak with an ATI technician regarding your combination. ATI will recommend a specific transmission/converter combination based on your vehicle application.

Please note! ATI no longer accepts transmission over-haul walk-ins, you must make an appointment with a sales representative. Additionally, you will be charged a \$250 Transmission Expedite Fee if you expect same-day repair/overhaul service.

PAYMENT OPTIONS

If using a credit card, include the name of the card holder, the card number, the CVV security code (three digits on the back of the card) and the expiration date. Specify quantity, part number, part description, price and other necessary information. Some orders will require detailed specifications of your car. Also include your name, full street address (no P.O. Box numbers), city, state, zip code, and phone numbers where we can contact you during the day and in the evening, and email.

CORE ALLOWANCES

A core allowance will be refunded to customers who return their used transmissions where required. Once these transmissions have been inspected and approved, payment will be mailed to you in the appropriate amount. Cores must be returned within 30 days.

CRATING CHARGES

All ATI transmissions are shipped in crates, which can be used to ship your core back to ATI. The crating/handling charge is \$65.00 and it is nonrefundable.

There is an additional \$12.50 fee charged by UPS on all C.O.D. orders. C.O.D. shipments will be sent "Certified Check or Money Order" unless other arrangements have been made in advance. For open account status or company check, request an ATI credit application.
